It is therefore, practice of previous years of preparing Eligibility Certificate of each player participating in regional sports meet in quadruplicate is dispensed with for this year Regional Sports Meet 2016.
- However, eligibility certificate of students selected for individual events need to be kept ready by pre-nationals Camp. While the eligibility certificate of students selected as final team during summer coaching camp is required to be prepared in quadruplicate and send the same with escort teacher to pre-national coaching camp.
- In the light of above the list of players participating in Regional Sports meet 2016 is to be prepared in the **Format - A** enclosed along with this letter and send the same with escort teacher to handover to Principal at venue where specified event is being organized.
- List of selected students for participation in Individual events is to be prepared in **Format - B** in triplicate duly signed by (i) selector; (ii) officials officiated the matches; (iii) Venue Principal where the event is conducted. Two triplicate copies will remain with Venue Principal while one copy will be with TGT (P & HE) who has been part of selection committee at venue level.

- Akin to above; there will two teams (winner team / composition team) selected for each of the team events and the list of selected students for participation in team events is to be prepared in Format - B in triplicate duly signed by (i) selector; (ii) officials officiated the matches; (iii) Venue Principal where the event is conducted. Two triplicate copies will remain with Venue Principal while one copy will be with TGT (P & HE) who has been part of selection committee at venue level. (Venues and other details will be circulated later).
- Principal of Kendriya Vidyalayas where sports events are scheduled to be held to note that the time frame is given on maximum note in order to help the venues in case of rain or any other issue. In case selection in all the events complete well before the time frame fixed by Regional Office, then they can accordingly communicate to escorts and through them to Principal KV concerned so that, Parents can come and pick their wards on arrival back to the home station.
- Proper liaising between KVs' to ensure smooth and effective conduct be ensured.
- Principals to send letters to all the participating vidyalayas about the schedule of RSM 2016

Yours faithfully,

  
(Ajay Pant)
